The Distillery will hold a tour and mixology class which also includes a tasting of the spirits. (The tour is \$10 per person. This is NOT covered in the registration fee.)

4:30-4:45pm

Registration for CE

4:45-7:00pm

**The New Evolution in Dental Products and Technologies:
What EVERY Hygienist Needs to Know**

**Speaker: Dona Schulz
(Special Introduction By: Terri Apostolou)**

Course Description: Learn how you can help jump-start your hygiene career by discovering the latest and greatest dental products and technologies important for every hygienist to get to know. This program is designed to help hygienists embrace the digital dentistry age and how it relates to technology in an easy to follow, non-intimidating way. Understand the most current language regarding technology and how new technology is essential toward delivering a comprehensive approach to patient care.

7:30pm

Stay to enjoy drinks and live music!

**You can come for all the activities or just join us for one or two. It's your choice!
Just remember to register!**
